Terms of Use

Effective Date:01/01/2026
Last Updated: 08/29/2026

Welcome to **100Daysz**, a mobile application owned and operated by **100Daysz LLC**, a California limited liability company ("100Daysz," "Company," "we," "us," or "our").

These Terms of Use ("Terms") govern your access to and use of the 100Daysz mobile application, website, features, content, and related services (collectively, the "Service").

By downloading, accessing, creating an account for, or using the Service, you agree to these Terms and our Privacy Policy. If you do not agree to these Terms, you must not use the Service.

---

1. About 100Daysz

100Daysz is a personal challenge, consistency, goal-tracking, habit-building, and skill-development application.

The Service allows users to create challenges, select a duration and frequency, record their progress, and track completion over time.

Users may create challenges based on activities or goals of their own choosing.

100Daysz may also provide ideas or suggested challenges to help users discover activities they may wish to pursue.

The Service is designed to help users make consistent progress toward personal goals and commitments.

100Daysz does not guarantee that use of the Service will result in the formation of a habit, acquisition of a skill, achievement of a goal, or any particular outcome.

---

2. Eligibility and Age Information

You must meet the minimum age requirement applicable to your location and the Service.

Unless a different minimum age is required by applicable law or specified by 100Daysz, users must be at least **18 years old** to use the Service.

If you do not meet the applicable minimum age requirement, you may not create an account or use the Service.

100Daysz may request your **date of birth** or age to determine eligibility and comply with applicable legal and platform requirements.

You agree to provide accurate information concerning your age or date of birth when requested.

You must not misrepresent your age to gain access to the Service.

If we learn that a person who does not meet the applicable minimum age has created an account or provided personal information in violation of these Terms, we may suspend or terminate the account and take reasonable steps to delete the associated information, subject to applicable law.

---

3. Creating Challenges

A central feature of 100Daysz is the ability for users to create their own challenges.

Users may select:

- The name of a challenge;
- The activity or goal;
- The duration;
- The frequency;
- The desired completion schedule;
- Notes or descriptions; and
- Other settings supported by the Service.

Users are responsible for selecting challenges that are appropriate for them.

100Daysz does not review or approve every user-created challenge.

The fact that the Service permits a particular challenge to be created or tracked does not mean that 100Daysz endorses, recommends, verifies, or guarantees that challenge.

---

4. Challenge Completion and Tracking

100Daysz provides tools for recording challenge completion and tracking progress.

Unless a particular feature expressly states otherwise, completion information is based on information entered or recorded by the user.

100Daysz does not independently verify whether a user completed an activity.

Progress percentages, streaks, completion counts, achievements, and similar information are tracking features and may depend on the information entered by the user.

You are responsible for accurately recording your activities.

---

5. Ideas and Suggested Challenges

100Daysz may provide an Ideas section or other recommendations containing selected challenges, activities, goals, or suggestions.

These ideas are provided to help users discover potential challenges.

The inclusion of an idea or suggested challenge does not mean that 100Daysz guarantees that the activity is appropriate for every user or that participating in it will produce a particular result.

Users are responsible for deciding which challenges they wish to undertake.

---

6. User Responsibility

You are responsible for your use of the Service and for the challenges you create or undertake.

You agree to:

1. Select challenges responsibly;
2. Use the Service in accordance with applicable laws;
3. Provide accurate information;

4. Maintain the security of your account;
5. Respect the rights of other users;
6. Avoid using the Service to create or promote harmful or unlawful activities; and
7. Stop using any feature or activity if you determine that it is inappropriate for you.

100Daysz is a tool for personal goal tracking and does not supervise, monitor, or physically verify your activities.

---

7. Prohibited Challenges and Activities

You may not use 100Daysz to create, promote, organize, or facilitate challenges involving:

- Suicide or self-harm;
- Intentional injury;
- Violence against another person;
- Threats or intimidation;
- Abuse or exploitation;
- Criminal activity;
- Illegal drugs or unlawful activities;
- Dangerous or reckless conduct;
- Instructions intended to facilitate wrongdoing;
- Fraud or deception;
- Harassment or stalking; or
- Activities that intentionally place another person in serious danger.

100Daysz may remove, disable, modify, or restrict any challenge or content that we reasonably believe violates these Terms, applicable law, or the safety of users or others.

---

8. User Accounts

Some features of the Service require an account.

Depending on the features you use, we may ask for information such as:

- Name;
- Email address;
- Date of birth;
- Age or age range;

- Gender;
- Account credentials;
- Challenge information; and
- Other information needed to operate the Service.

You agree to provide accurate information.

You are responsible for maintaining the confidentiality of your account credentials and for activity occurring through your account, except to the extent applicable law provides otherwise.

You should notify us promptly if you believe that your account has been accessed without authorization.

---

9. Gender and Profile Information

100Daysz may allow users to voluntarily provide demographic or profile information, including gender.

Gender information may be optional.

If provided, such information may be used to personalize certain features or experiences, improve the Service, understand general usage patterns, or for other purposes described in our Privacy Policy.

You are not required to provide optional information in order to use features that do not require that information.

---

10. User Content

You may create, submit, store, or otherwise provide content through the Service, including:

- Challenge names;
- Challenge descriptions;
- Goals;
- Notes;
- Completion records;
- Progress information;
- Feedback; and
- Other information you voluntarily provide.

You retain ownership of content that you own.

By submitting content to the Service, you grant 100Daysz a non-exclusive, worldwide, royalty-free license to host, store, reproduce, process, display, and use that content as reasonably necessary to provide, operate, maintain, secure, support, and improve the Service.

You represent that you have the rights necessary to provide the content.

You must not submit content that is unlawful, threatening, abusive, harassing, fraudulent, or intended to facilitate harm.

---

11. Intellectual Property

The Service and its components, including software, user interface, design, graphics, logos, trademarks, text, illustrations, audio, video, original content, features, and other materials, are owned by or licensed to 100Daysz LLC.

Except as expressly permitted by law or these Terms, you may not:

- Copy;
- Reproduce;
- Modify;
- Distribute;
- Publish;
- Sell;
- License;
- Create derivative works from;
- Reverse engineer; or
- Commercially exploit

the Service or its proprietary content without our prior written permission, except where such restriction is prohibited by applicable law.

100Daysz and associated names, logos, and branding are owned by 100Daysz LLC or its licensors.

---

12. Third-Party Services

The Service may depend upon or interact with third-party services, including:

- Apple App Store;
- Google Play;
- Cloud infrastructure providers;
- Authentication providers;
- Analytics providers;
- Payment providers;
- Customer-support services; and
- Other third-party technologies.

Third-party services may have separate terms and privacy policies.

100Daysz is not responsible for the availability, performance, security, or policies of third-party services that we do not control.

---

13. App Store Terms

If you download the Service through Apple App Store or Google Play, your use may also be subject to the applicable terms and policies of those platforms.

Apple and Google may impose additional requirements concerning purchases, subscriptions, refunds, account management, and other matters.

---

14. Subscriptions and Payments

100Daysz may offer paid subscriptions or other paid features.

The applicable price, billing period, renewal period, and features included in a subscription will be disclosed at or before purchase.

If you purchase an automatically renewing subscription, you authorize the applicable payment platform to charge the applicable subscription fee according to the terms presented at purchase.

Subscriptions purchased through Apple or Google are generally managed through the applicable platform.

You are responsible for managing cancellation through the platform through which you purchased the subscription.

Cancellation generally prevents future renewal but does not necessarily result in a refund for the current billing period.

Refunds may be subject to the policies of Apple, Google, or other applicable payment providers, as well as applicable law.

Prices and subscription offerings may change in the future. Where legally required, we will provide appropriate notice.

Nothing in these Terms limits any mandatory consumer rights concerning automatic renewal, cancellation, or refunds.

---

15. No Guarantee of Results

We do not guarantee that use of the Service will result in:

- Successful completion of a challenge;
- Formation of a habit;
- Acquisition of a skill;
- Achievement of a personal goal;
- Increased productivity; or
- Any other particular outcome.

Results may vary depending on the user, the challenges selected, consistency, and other factors outside our control.

---

16. Service Availability

We attempt to maintain a reliable Service but do not guarantee that the Service will always be:

- Available;
- Uninterrupted;
- Secure;
- Accurate;
- Error-free; or

100DAYZ LLC DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, ACCURACY, RELIABILITY, AVAILABILITY, AND SECURITY.

Nothing in these Terms excludes any warranty or consumer right that cannot legally be excluded.

---

18. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, 100DAYZ LLC AND ITS MEMBERS, OFFICERS, EMPLOYEES, CONTRACTORS, AGENTS, AFFILIATES, LICENSORS, AND SERVICE PROVIDERS WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES ARISING OUT OF OR RELATING TO YOUR USE OF OR INABILITY TO USE THE SERVICE.

(B) $50.

This limitation does not apply where liability cannot legally be limited.

20. Release

To the maximum extent permitted by law, you release 100Daysz LLC and its members, officers, employees, contractors, agents, affiliates, licensors, and service providers from claims arising from activities, challenges, decisions, actions, losses, or damages resulting from your voluntary use of the Service.

This release does not apply to liability that cannot legally be released.

---

21. Termination

You may stop using the Service at any time.

You may delete your account through the account-deletion functionality provided by the Service.

- Used the Service for unlawful purposes.

We may also suspend or discontinue accounts or features if reasonably necessary to protect the Service or its users.

Sections concerning intellectual property, disclaimers, limitation of liability, indemnification, dispute resolution, governing law, and other provisions that by their nature should survive termination will survive termination.

---

22. Privacy

Your use of 100Daysz is also governed by our **100Daysz Privacy Policy**.

For material changes, we may provide notice through the Service, email, or another reasonable method.

The updated Terms become effective on the date stated in the updated Terms.

Your continued use of the Service after the effective date of updated Terms constitutes acceptance of the updated Terms to the extent permitted by applicable law.

---

25. Dispute Resolution and Arbitration

PLEASE READ THIS SECTION CAREFULLY. IT AFFECTS YOUR LEGAL RIGHTS.

To the maximum extent permitted by applicable law, you and 100Daysz LLC agree that disputes arising out of or relating to the Service or these Terms will be resolved through **individual binding arbitration**, rather than in court, except where applicable law permits or requires otherwise.

The arbitration will take place in California unless the parties agree otherwise or applicable law requires another location.

To the extent legally enforceable, you and 100Daysz LLC agree that disputes will be resolved individually and not as class, collective, or representative actions.

YOU AND 100DAYZ LLC WAIVE ANY RIGHT TO A JURY TRIAL TO THE MAXIMUM EXTENT PERMITTED BY LAW.

Nothing in this section prevents either party from seeking temporary or injunctive relief from a court where legally available.

---

These Terms are governed by the laws of the **State of California**, without regard to conflict-of-law principles, except where applicable law requires otherwise.

27. Severability
